Complete a separate section for each permission we will need to obtain. If multiple selections come from the same source, you will still need to fill out a section for each selection. Incomplete information may delay processing.

If you have more than 23 selections, you will need to fill out an additional order form. Please go back to page 1 and type "Part 1" in the Special Notes Section. Subsequent forms will need to be labeled with the corresponding order part number, e.g. Part 2, Part 3, etc.

It is recommended that you save a copy of this form for your records. When all of your selections have been completed, click the disk icon above the form to save a copy to your computer. Once a copy has been saved, click the Submit button at the bottom of the form. If you are not redirected to a confirmation window after

I request that Premium Source Publishing produce the above outlined CoursePack for the above referenced course. This CoursePack will be REQUIRED for the students enrolled in this course and is intended for educational purposes. I have listed ALL copyrighted materials that will be included in this E-Pack. The list of copyright materials truly and accurately identifies the source(s) of ALL copyrighted materials which are to be included in this E-Pack. I also understand that Premium Source Publishing will contact me in the event that the final price is greater than the estimation or all of the requested copyrighted material is not cleared. At that point, I will have the option of omitting or substituting new material. In the event the final price is equal to or less than the price estimate, I authorize Premium Source Publishing to produce these course materials. This is a renewable, exclusive order for the publishing of this material. I retain full ownership of the material, but I agree to not allow any other company to publish and distribute the material unless I notify Premium Source Publishing in writing 30 days prior to the start of the academic term. I will defend and indemnify Premium Source Publishing against any liability if any of the foregoing information is inaccurate or incorrect.

I have read and agree to the above statement
